FACTS ABOUT US

COME BE WITH US - A TRANQUIL LOCATION

Casa Prana is set among the stunning natural geography of Lake Atitlan, accessible only by boat or helicopter.

Set among 4-hectares of beautiful gardens, the resort offers the most stunning views of the magical Lake Atitlan and the 3 majestic surrounding volcanoes

Guatemala City La Aurora Airport (GUA) provides access to most major U.S. getaway cities and located 3 hours by private car or 25 minutes by helicopter. Flights from Miami are only 2 hours and 15 minutes long, while flights from New York and Los Angeles are only around 4 hours and 30 minutes long.

Due to its close proximity to the equator and being located at 1600 meter above sea level, The resort benefits from an ideal climate year-round with warm weather during the day and cool in the mornings and evenings most of the year.

The dry season in Guatemala extends from November to April. The rainy season is between May and October. While there are frequent showers during the rainy season, these often last only a short time and are followed by sunshine.

COME PLAY AND EXPLORE WITH US
