EXPLORE WITH US

THE CASA PRANA HORSE BACK RIDING TOUR.

As famous as Panajachel, San Pedro la Laguna is often preferred by tourists owing to its quieter atmosphere and genuine style.

Starting the Adventure

Departing from Casa Prana, our private boat takes around 30 to 40 minutes to arrive at San Pedro. There, a trained horse will be waiting for you to be your company for this adventure. As well a professional English-speaking guide will go with you to make this experience more enriching. Beautiful heights will give you the opportunity to appreciate different views of the lake and the town.

Duration

The complete tour lasts 4 to 5 hours.

The Horseback riding itself lasts 2 and a half hours

Maximum 2 persons.

THE CASA PRANA HIKING A VOLCANO TOUR. SAN PEDRO LA LAGUNA.

The Volcano of San Pedro is one of the three volcanoes on the shores of Lake Atitlan. It has an altitude of 3,200 meters. On the slopes of the volcano there are plenty of coffee plantations and cornfields, owned by the local people. Few years ago, more and more tourists have been visiting this volcano, due to its natural beauty. Since then, this place evolved to an ecological park with tourist safety.

Starting the Adventure

During the trip, a professional English-speaking guide will make your experience more enriching with interesting stories and facts.

Duration

From the entrance of the ecological park to halfway up the volcano, it is 3,5 hours hiking, and 2 hours walk back.

We recommend leaving Casa Prana as early as 6 am. to return in the afternoon around 3 pm.

THE CASA PRANA PARAGLIDING EXPERIENCE.

Starting the Adventure

This tour is an amazing opportunity to admire the beautiful landscapes from above the Lake Atitlan. Starting in Panajachel, a 20 minutes ride by vehicle will take you to the jumping up point in San Andres Semetabaj. Paragliding can only be done in certain weather conditions when the wind blows to the north direction. For this reason, we always consult with a professional before carrying out this tour.

Duration

3 hours

Normally it can be done in the afternoon.

Transportation, instructor and equipment are included.

THE CASA PRANA TOWNS AROUND THE LAKE TOURS

Lake Atitlan is well known due to its culturally rich and diversified ambient. For your tour you may choose between these towns:

1. Santiago Atitlan:

This is a town with a lot of culture, beliefs, traditions, typical costumes, and artworks in wood and oil painting. You can also meet Maximon, a local popular saint.

2. San Marcos La Laguna:

It is the ideal destination if you are looking for tranquility, relaxation and meditation. You can jump into the lake from the 6-meter-high Tzankujil Hill. San Marcos is known for its yoga classes, viewpoints surrounded by forest, meditation centers and more.

3. San Juan La Laguna:

You will be able to visit a coffee plantation, as well, you will see artists doing their oil paintings and working their fabrics with dyed yarn material and natural plants. It is a very authentic town.

4. San Antonio Palopó:

The place of the Mayan Kaqchiquel. You will observe the manufacture of waist tissue and ceramics of different figures like cups, plates, etc. You will also visit the colonial church where they venerate San Antonio, the local Saint.

5. Santa Catarina Palopó:

It is a 100% indigenous town. The fabric is very colorful. It is the only town that has houses painted with the designs of the typical fabric of the town. You will find shops to buy typical clothes

6. San Lucas Toliman:

In this place the landscape is different and impressive, the view is panoramic and full of colors. You will find nice restaurants, also organic gardens.

7. San Pedro La Laguna:

While walking through its beautiful streets you will find different restaurants, craft sales, colorful murals and lots of nature. Its colors, its nightlife, its environment and its lifestyle make it so popular.
