TERMS & CONDITION HELICOPTER TRANSFER

The Helicopter service is handled and arranged by a third-party service. Casa Prana is not responsible for the service and any damages caused by the service. This is the sole responsibility of the service provider. Casa Prana is only acting as the guest representative and organizer of the service and cannot be held liable for any loss or damages caused by the service provider.

You should be aware of the dangers involved.

It can happen that wind conditions only allow to fly in larger aircrafts, like an Airbus, which will change the price.

It can also happen that wind conditions do not allow to fly a helicopter at all. (It can be a last-minute decision – at it is at the Captains own discretion to make the decision).

If the weather conditions only allow to make the flight in a bigger aircraft than the one reserved, the guests should pay the price difference. Alternatively, we can offer a car transportation (separate prices will apply).

Remember that weight must be kept balanced for the helicopter to fly properly and safely so seating is based on the weight of its passengers.

The recommended size of luggage to get on the helicopter is CARRY ON. If the luggage is bigger it can happen that it may not be possible to put it in the adequate storage place and would have to travel in a seat, taking space as a passenger. We also send luggage by private car transportation (regular transportation price will apply).

TERMS & CONDITION HELICOPTER TRANSFER

Flights at night are not permitted (departing to/from the city or Antigua the guests should be ready at the latest 4:00pm for take-off).

The final price may change at the last minute due to the price is subject to final flight time. Our prices are based a per hour flight time (t/r).

Same day helicopter transfer when you have a flight from Guatemala City Airport is at the guest own responsibility. Sudden change in weather conditions or other factors outside of our control which may cause changes to the flight schedule.

Normally the helicopter lands at Casa Prana private helipad. However, sometimes the Captain choose to land on alternative helipads due to weather conditions. Casa Prana private boat will collect the guest at the nearby helipad. An additional charge of Q350 will apply and added to the guest final bill.

TERMS & CONDITION BOAT & CAR TRANSFERS

Boat transportation can be cancelled without any type of charge up until 1 hour before scheduled time. Cancellations made after that will be charged in full.

Private car transportation: Before 24 hrs. no charge. After 24 hrs. 40% of the price will be charged. No-show = full price will be charged.

Guests are responsible to inform the hotel about pick-up details such as time, address/ location, amount of people.

The guests may expect some delays in pick-up and travel time due to heavy traffic or other situations outside of our control. Our driver and Guest service team will always strive to keep the guest informed if there will be any irregularity to the service as agreed.
